Nature Photon. **4**, 46–49 (2010); published online 13 December 2009; corrected after print 8 January 2010.

The scale bars of the scanning-electron microscope images in Fig. 1 were incorrect: the scale for Fig. 1a should have been 10 μm , and the scale for Fig. 1d should have been 5 μm .

In Fig. 2b, the scale of the principal y -axis was incorrect and should have been $\times 10^{-7}$. The unit of the y -axis for the inset figure remains as $\times 10^{-8}$.

These errors have been corrected in the HTML and PDF versions of the Letter.
