

Author Correction: An analytical framework for interpretable and generalizable single-cell data analysis

Jian Zhou  and Olga G. Troyanskaya 

Correction to: *Nature Methods* <https://doi.org/10.1038/s41592-021-01286-1>, published online 1 November 2021.

In the version of this article originally published, there was an error in a formula in the fourth sentence of the third paragraph of Methods. In the text now reading “The analytical solution to the optimization problem is $Z = (I + \lambda L)^{-1} XW$, where W represents the top d eigenvectors of $X^T (I + \lambda L)^{-1} X$, where d is the dimensionality of Z ,” an extraneous equals sign appeared between “ X^T ” and “ $(I + \lambda L)^{-1} X$.” The error has been corrected in the HTML and PDF versions of the article.
